

Name : Jeff Sloan

Year of Joining the ORCV : 2015

Type of Membership (Full or Outport) : Full Member

Professional Background : A 20+ year career has been in the highly competitive food and beverage sector, primarily leading sales, marketing & supply chain teams for some of Australia's favourite food brands both here and in international markets.

Sailing Experience: Started sailing in the mid 1980's in Sabots at Black Rock YC, then graduated to racing Lasers for many years. Keelboat racing came along in the early 2000's after a few years away from sailing at Sandringham Yacht club where I crewed for many years on Barnstormer until 2015 when Simon Bell and myself purchased Archie (Sm35). Since then Archie has been a regular participant in bay and ORCV events after graduating the ORCV beyond the bay program in 2015.

What you hope to bring to the ORCV: It's time to give back to the sport that has given me so much. I hope to challenge existing norms and bring a fresh perspective to the club which will hopefully assist in strengthening the sport I love here in Victoria while respecting the past and the ORCV's traditions.
