

Name: Wayne Arnold Seaward.

Year of Joining the ORCV July 2018.

Type of Membership Full Member

Professional Background

Wayne is an Executive Consultant with extensive experience working on and in major infrastructure projects. Roles have covered assisting clients to develop the governance structure, align the culture required to successfully deliver Multi-Million and Multi-Billion Dollar projects. These projects have been within the road, rail, water and power sectors across Australia and New Zealand.

Wayne's management experience and membership on several boards and committees have in turn provided him with broad experience in a variety of commercial fields, his business acumen and commercial skills are complemented by excellent communication, and influencing abilities.

Sailing Experience:

Growing up by a small lake in New South Wales, as a young lad I discovered the love of sailing. This includes sailing a sport I attended at high school and on weekends at the 16 Foot Sailing Club.

This love of sailing has never left me. Now in my sixties I have sailed most of my life.

- ✓ Over the past 2 years Race Management Volunteer the ABRW (Covid Borders closed 2020)
- ✓ Race Management Volunteer "Australian Keelboat Regatta" 2018
- ✓ This year would have been my 11th Hamilton Island Race Week
- ✓ Seven races to Mel -Blairgowrie (3 Cock of the Bay) (Skipper of Pace Maker or Cyan Moon)
- ✓ Six Festival of Sails Geelong (3 Helm on Pace Maker & 1 Helm Cyan Moon)
- ✓ One King Island Race as Crew
- ✓ Deliveries of Helsel 3 from Hobart to Sydney post S2H Race.
- ✓ Extensive Club races and weekly training runs over the past 10 years.
- ✓ Developed a 10-week training program for RBYC called "Boot Camp for Sailors" bringing over 110 new people to sailing in 2018.

Owner of both Pace Maker Farr 1105 and Cyan Moon Beneteau 473. With an extensive crew; we sail both each weekend, with a focus on enjoying long distance races while growing participation.

What you hope to bring to the ORCV.

Firstly my passion for sailing and growing the sport in a way that is sustainable and inclusive is fundamental to what I bring. This plus my extensive governance experience and skills developed over many years across industry and participation within sailing sub committees.
