

## 2021 Devonport Race

### NOTICE TO COMPETITORS No.1

Appendices C and D of Version 1.01 of the Notice of Race have been amended in line with enhanced Race Entry compliance arrangements which have been introduced by the ORCV. The changes include:-

- The introduction of a new Skipper's Race Entry Compliance Declaration covering matters which were previously checked by the ORCV Office and certain safety related checks which are best managed by skippers.
- Removal of the requirement to lodge certain documents with the ORCV office including:
  - First Aid certificates
  - Radio Operator certificates
- A change in submission requirements for yachts entering the ORCc Handicap Category such that a copy of the Yacht's Validated ORCc Rating Certificate need only be submitted upon request.
- The former "Safety Equipment Compliance Declaration" form has been updated to reflect current Australian Sailing's Special Regulations and has been renamed "ORCV Pre-Race Equipment Checklist and Declaration".
- The former Stability Declaration has been updated and renamed "ORCV Stability and Construction Declaration."

The updated forms may be found on the ORCV Website under the heading "Entry Compliance Declarations" in the Sailing Menu.

The updated Notice of Race is Version 1.02
