WOMEN SKIPPERS & NAVIGATORS YACHT RACE

The Ocean Racing Club of Victoria (ORCV) is once again running the ORCV Women Skippers & Navigators Race return race from Blairgowrie Yacht Squadron (BYS) to Sandringham the day after the Blairgowrie Passage Race conducted as part of the ORCV Winter Series.

This event will provide further opportunities for women keelboat sailors to participate more actively in keelboat racing beyond “round the sticks” racing and will provide exposure to the skipper’s role, navigation, weather and radio procedures.

So whether you are already a member or participant in ORCV events, a regular Bay sailor who has an interest in passage/offshore racing and navigation, or a more novice sailor on board a cruiser or racing boat not currently engaged in racing, we encourage you all to come along and develop skills in key roles.

The requirements for participation in the race will be as follows:

- Helm(s), Navigator and Radio Operator positions to be occupied by women. These roles could be shared amongst several female crew or, on smaller boats, the female helm may also be the navigator.
- Navigators are encouraged to submit a log of their passage.
- Radio Operators to conduct the mandatory sign on and radio schedules. The radio operator may also be the navigator.

Speak to your boat owners now and organise your crew for a fantastic event. Make it a great weekend by starting with the Winter Series Blairgowrie Passage Race, enjoying the great party on Saturday night and then stepping up to running the boat for the race home on Sunday.

A separate entry is required. There are no entry or crew fees and participation in the previous days race to Blairgowrie is not a required.
