

West Offshore Products Coastal Sprint 1 Notice to Competitors no 2 (NTC2)

2023-2024 West Offshore Products Coastal Sprint Series

The following changes have been made to series documents.

Notice of Race v1.0

- We note the inconsistency in the Notice of Race wording in **Appendix B Yacht Eligibility Requirements – General Category** “.... Category 2”. Given it is referred everywhere else in the document as Category 3, the wording in that table should have read “.... Category 3”.

Sailing Instructions v02c

- The table shown in **clause 3.1** has an incorrect column header. The words “Warning Signal” shall be replaced by “Start time”.
- **New clause 5.2** “The Time Limit for all yachts in a race shall be **Sunset** as defined in clause 1.4. Any yacht that has not finished by Sunset shall be scored as DNF (amends RRS 35).
- **Table C4.3 Location of Marks** has been updated, Mark **ASE** has been shifted, new Longitude is “E144 32.97”. The Latitude remains unchanged.

Martin Vaughan
Race Director 14/9/23
