## About the Series

---

The DYSC Marine Supplies Winter Series program for racing and cruising is based on passage style racing within Port Phillip Bay. The Series comprises four races including a destination race to Blairgowrie, a destination race to Geelong and two short passage races around fixed marks.

In addition to the DYSC Marine Supplies Winter Series, the Novice Return Races are scheduled to provide the opportunity for crew and team development.

The races start in the vicinity of RBYC. Shorter course options have been included in all races to cater for the range of conditions which may be experienced during the winter months.

Blairgowrie Yacht Squadron (BYS) and Royal Geelong Yacht Club (RGYC) are generously providing their traditional overnight hospitality and camaraderie for the destination races.

The ORCV on water distress flare practice will continue this year prior to the first race in the series on Saturday 22 June 2024. Details will be provided via a Notice to Competitors.
