2026 Melbourne to Port Fairy Yacht Race Notice of Race

About the Port Fairy race

This Race to picturesque Port Fairy is held on the second weekend in February with a late Friday afternoon start.

The 135 NM course is often a race in two parts. The first takes competing boats south-westwards past the coastal resorts of Torquay, Anglesea, Lorne and Apollo Bay before rounding rugged Cape Otway. The second part is from Cape Otway to the finish line where it is often possible to ease sheets for a reach or run.

All-weather berthing is available in the Moyne River. Excellent hospitality and meals are provided by the Port Fairy Yacht Club at the completion of the Race. A fast rail service is available for those who need to return to Melbourne on Sunday night.

This Race is part of the ORCV Offshore and Double Handed Offshore Championships.

The 2026 ORCV Melbourne to Port Fairy Yacht Race will be conducted on the waters of Bass Strait from a start at the entrance to Port Phillip. Owners of eligible boats are invited to enter this Race under the conditions of this Notice of Race. The Race is organised and conducted by the Ocean Racing Club of Victoria Inc (ORCV) in cooperation with the Port Fairy Yacht Club (PFYC).

1. Race

- 1.1. The warning signal for the Race will be displayed on 1655 Friday 13 February 2026.
- 1.2. This is a Category 2 race, except as noted in Condition 9, conducted from the start off Queenscliff, through Port Phillip Heads, west along the Victorian coast and around Cape Otway to the finish near the Moyne River entrance off Port Fairy.
- 1.3. The Port Fairy Race is part of the ORCV Offshore and Double Handed Championships and is open to Monohull boats racing fully crewed or “4+autohelm” or Double Handed, and Multihull boats racing fully crewed or “4+autohelm, and Cruising boats
- 1.4. The details of the course including any marks will be in the Sailing Instructions for the Race.
- 1.5. An alternative course may be used at the discretion of the Race Director.

2. Rules

- 2.1. The Race will be governed by the current versions of:
 - The 2025-2028 Racing Rules of Sailing (RRS) of Australian Sailing (AS),
 - The Prescriptions and Special Regulations of Australian Sailing (AS),
 - Where a boat is entered under AMS, the Rules and Regulations of the Australian Measurement System (AMS),
 - Where a boat is entered under ORC, the Rules and Regulations of the Offshore Rating Congress (ORC),
 - Where a boat is entered under OMR, the Rules and Regulations of the Offshore Multihull Rating (OMR) Specification developed by the Multihull Yacht Club Queensland,
 - The International Regulations for Preventing Collisions at Sea, 1972 (ColRegs),except as amended by this Notice of Race and the Sailing Instructions for the Race.
- 2.2. The ORCV reserves the right to amend this Notice of Race. Any amendments will be published on the club website (www.orcv.org.au) and entrants at the time of any such amendment will be notified.
- 2.3. By entering this Race, the owner of a boat agrees that this Notice of Race (including amendments) and the entry form, the Rules and Regulations referred to in this Condition 2 and the Sailing Instructions must be complied with by the boat and by the owner.
- 2.4. The Sailing Instructions will be issued through the ORCV website (www.orcv.org.au).

3. Race Categories and Handicap Systems

3.1. The Race will be conducted with the following Race Categories and Handicap Systems:

Race Category	PHS	AMS	ORC	OMR
Monohull Including 4+autoHelm	Yes	Yes	Yes	No
Double Handed	Yes	No	No	No
Cruising	Yes	No	No	No
Multihull including 4+ autohelm	Yes	No	No	Yes

- 3.2. Boats in the Monohull Category may race fully crewed, “4+autohelm” or Double Handed.
- 3.3. Boats in the Multihull Category may race fully crewed or “4+autohelm”.
- 3.4. Double Handed Category boats must have 2 crew.They are also automatically entered and scored in the Monohull Race Category in all eligible Handicap Systems.
- 3.5. The Multihull Category boats will be entered into the PHS and OMR Handicap systems if they meet the requirements of Appendix B: Boat Eligibility Requirements.
- 3.6. The Cruising Category is for monohulls only.
- 3.7. The Race Committee may split the Monohull Category into multiple divisions having regard to the number of entries and the performance characteristics of competitors.
- 3.8. Boats entering ORC must hold either an ORCi Rating Certificate or an Endorsed ORCc Rating Certificate based on data submitted to Australian Sailing by an accredited measurer. The ORC All Purpose Handicap System will be used.
- 3.9. Non-Spinnaker and Two-Handed rating certificates are not used for the Handicap Systems used for scoring.
- 3.10. Boats entered in the AMS and ORC Handicap System of the Monohull Category must have a valid Rating Certificate which includes a spinnaker with a measured area of at least 130% of the area of the boat’s fore triangle where the fore triangle is defined as $0.5*FL*J$ measured in accordance with the AMS rules.
- 3.11. The Race Committee reserves the right to cancel any Race Category or Division with fewer than five entries.

4. Eligibility

- 4.1. The Race is open to boats of a thoroughly seaworthy nature, which are entered by a member of a boat club affiliated with AS.
- 4.2. A monohull boat must have a Hull Length (LH) of not less than 9.0 metres; and a Loaded Waterline Length (LWL) as defined in the Australia Sailing Special Regulations not less than 7.3

metres. A multihull boat must have a minimum LWL as defined in the AS Special Regulations not less than 12.0 metres and must comply with the requirements of Condition 9.2.

- 4.3. Each boat must comply with the requirements listed in Appendix A: Stability Requirements.
- 4.4. Each boat must comply with the requirements listed in Appendix B: Boat Eligibility Requirements.
- 4.5. The ORCV may require remeasurement of any boat prior to the boat racing.
- 4.6. The crew of each boat must meet the eligibility requirements listed in Appendix C: Crew Eligibility Requirements.
- 4.7. A decision of the ORCV or the Race Committee as to any matter under this Condition 4, including as to whether a boat and its crew meet the eligibility criteria for entry in the Race, is final and binding and will not be grounds for a request for redress.
- 4.8. All safety equipment must be on board and available for inspection. On request by the Race Committee, a boat must be made available for spot inspection to verify safety regulation compliance. Spot checks may be carried out prior to the warning signal or after a boat finishes.

5. Application for Entry

- 5.1. An application for entry must be made on the TopYacht online Entry System (TES) at www.orcv.org.au.
- 5.2. To enter the Race, a completed application for entry and payment of the race entry fee must be received by the ORCV via TES by 2359 on Wednesday, 4 February 2026.
- 5.3. The ORCV may, at its sole discretion, accept entries after that date but will not normally do so where a boat was in a position to enter by the due date.
- 5.4. To qualify for the Early Bird Race Entry Fee, a completed application for entry and full entry fee payment must be received by 2359 Mon Thursday 22 January 2026.
- 5.5. Each boat must submit to the ORCV, no later than 2359 on Wednesday, 4 February 2026, the documentation listed in Appendix D: Entry Documentation. Boats which fail to meet this due date may be subject to a 20 minute time penalty, unless an alternative arrangement has been agreed with the Sail Captain.
- 5.6. Privacy Note: Personal information about crew members is contained in the crew lists. That information is obtained for use in search and rescue situations and for media purposes.

The information may be given to search and rescue authorities and organisations, the Water Police, volunteer coastal stations and media representatives and may be passed on by them to other organisations.

A condition of entry is that crew members are to be informed of this and advised that they may obtain access to the information held about them by contacting the ORCV.
- 5.7. The ORCV is not obliged to accept an application for entry.
- 5.8. Documentation supplied to or held by the ORCV under this Notice of Race (other than crew lists) must not be changed (except to correct errors or after protest) after 2359 on Wednesday 04 February 2026.

- 5.9. A boat's rating certificate must not be changed after 2359 on Wednesday 4 February 2026 except as a result of a rating protest or to correct a rating office error.
- 5.10. A boat's crew list in TES may be changed to correct errors, and to reflect late crew changes, but must not be changed within the 48 hours of the starting signal. After any change to a crew list, the boat must still satisfy the general requirements of Appendix C: Crew Eligibility Requirements. Any subsequent changes to the crew or details of any crew member must be notified by email (race.director@orcv.org.au) or SMS (0418 396 605) to the Race Director phone.

6. Fees

- 6.1. The race fee must be paid using TES. The entry fee includes Australian Goods and Services Tax. A tax invoice will be issued on request.
- 6.2. The race entry fee is for the Race and all Handicap Systems for which a boat is eligible.
- 6.3. No additional fee applies where an eligible boat enters the Double Handed or Multihull Race Categories.
- 6.4.

Early Bird Entry Fee (on or before 22 Jan 2026)	\$375
Normal Race Entry Fee (23 Jan 2026 to 4 Feb 2026)	\$490
Crew Fee for non-ORCV members or non-PFYC members (each)	\$65
Ocean Pass for crew without an active Australian Sailing Number (each)	\$60

- 6.5. ORCV members receive a 15% discount on the race entry fee.
- 6.6. A boat will not be considered a valid entry until the race entry fee is paid.
- 6.7. Crew who do not have an active Australian Sailing Number (ASN) are also required to purchase an Ocean Pass membership via the ORCV website (<https://www.orcv.org.au/club/crew-and-passes>) at an additional cost of \$60. The crew fee is in addition to the cost of the Ocean Pass.
- 6.8. The ORCV wishes to encourage entry to its events. However, races are expensive to organise and run. While every effort is made to keep the costs of race events to a minimum, there are significant administration and race preparation costs that have been incurred well before the Race date. The ORCV cancellation and refund policy in respect of this Race is as follows:
- If a boat cancels its entry in the Race before 2359 on Wednesday, 4 February 2026, the boat is entitled to a 75% refund of the race entry fee, if paid.
 - If a boat cancels its entry in the Race between 2359 Wednesday 4 February and 24 hours before the Race, it is entitled to a 50% refund of the race entry fee, if paid.
 - If a boat cancels its entry in the Race within the 24 hours before the Race start, a refund of up to 50% of race entry fees paid may be granted at the discretion of the Sail Captain with consideration of the circumstances. The boat must apply for a refund by email to orcv@orcv.org.au and provide the circumstances leading to their cancellation.

- If the ORCV abandons the Race after the start of the Race, the race entry fee is not refundable.
- If a boat chooses to withdraw from the Race, where the Race Director has decided to delay, reschedule or conduct the race on an alternative course, the race entry fee is not refundable.
- If a crew member has purchased a non-AS member pass (Ocean Pass) and does not race, it will be fully refunded on request.
- Non-ORCV/PFYC member crew fees are only incurred for non-ORCV/PFYC members who participate in the Race and will be invoiced to the skipper after the Race.
- There is no refund in respect of crew merchandise that has been ordered and produced.
- To enable a refund payment, please email the ORCV office (orcv@orcv.org.au) with BSB and account number details for direct crediting.

7. Scoring

- 7.1. The scoring system will not be subject to protest or dispute.
- 7.2. Prorated positions may be used to determine a result for the Race in the event that the Race is shortened.

8. Trophies

- 8.1. Perpetual trophies are awarded, subject to the number of starters qualifications, as follows:
 - The Port Fairy Overall Winner Trophy for 1st place on AMS, combined if multiple divisions exist.
 - The Port Fairy Monohull Line Honours Winner trophy
- 8.2. All mementos are awarded subject to sufficient entries in the particular Race Category and Division as follows:
 - Fewer than 7 starters, no 3rd place memento is awarded.
 - Fewer than 5 starters, no 2nd or 3rd place mementos are awarded.
 - Fewer than 3 starters, there is no Race for that Handicap System and/or Division, and no mementos are awarded. Double Handed and Multihull Race Categories mementos are not subject to this Condition.
 - Line honours follow the same rules except all eligible boats are counted regardless of Handicap Systems.
- 8.3. Additional mementos are presented to competitors for the following achievements, subject to the number of starters qualifications set out above:
 - Line Honours: First monohull boat and first multihull boat to cross the finish line.
 - Monohull - 1st, 2nd and 3rd placegetters on corrected time within AMS, ORC and PHS. This includes a memento for each division and overall (Combined divisions)
 - Double Handed – Monohull: 1st, 2nd and 3rd placegetters on corrected time for PHS
 - Cruising – Monohull: 1st placegetter on corrected time for PHS

- Multihull: – 1st, 2nd and 3rd placegetters on corrected time for PHS and OMR
- 8.4. A presentation will be held at the Port Fairy Yacht Club at a time to be announced to the skippers.
- 8.5. The presentation of mementos will be at the next ORCV Annual Awards Evening at a date, time and location to be announced. A single memento will list all eligible achievements won during the season.

9. Changes to Rules and Special Regulation Requirements

9.1. Changes/Clarifications to the Racing Rules of Sailing

RRS 51: A boat with movable ballast or variable ballast (within the meaning of those terms in the Special Regulations) may move that ballast for the purpose of changing trim or stability to the extent permitted by their stability rating.

RRS 52: The rule will be modified:

- to allow self-steering equipment to be used by boats sailing in the Double Handed Race Category and, in the Monohull, and Multihull Race Categories with 4+autohelm.
- to allow the adjustment of movable water ballast or canting keels on any boat and the use of stored power to do so.
- to allow the use of stored power for sail handling and sail trimming on any boat.

RRS 55: Fixed and retractable spinnaker poles and bowsprits will be permitted for the purpose of setting asymmetrical spinnakers.

RRS 61.3: There is no time limit on protests by the Race Committee or the Protest Committee.

RRS 78.2: Valid rating/class certificates must be produced by the due date specified in this Notice of Race.

9.2. Changes to Australian Sailing Category 2 Special Regulations

- 9.2.1. Boats equipped with liquid fuel propulsion engines must start the Race with not less than the recommended fuel specified in Special Regulations 3.24.5(c) for a Category 2 event (required fuel in litres = LWL(metres)/0.135).
- 9.2.2. Boats equipped with electric propulsion motors must, by the use of batteries and generating capacity, start the Race with sufficient power to operate under motor with an effective range of 150 NM.
- 9.2.3. The boat must have a fully functional DSC VHF radio with the boat's own MMSI number configured and a GPS receiver connected for position information.
- 9.2.4. Multihull entries in the race must:
- Comply with the hull construction requirements specified in 3.03.2 of the World Sailing Special Regulations noting that the ORCV will accept a signed statement from an appropriate naval architect or person familiar with standards that the boat meets the requirements of ISO 12215 or the ABS Guide for Category A events.

- Demonstrate compliance with the Design Category A Multihull Stability requirements of ISO 12217 – 2:2015 clauses 7.8, 7.9 and 7.10.

9.2.5. This Race requires Race Category 1 Training for SR 6.01.1. That is, at least 50% of the crew members on a boat, with no fewer than 3 crew members (2 in the case of Double Handed Race Category boats), including the person in charge must, within 5 years of the start of the Race have completed an Australian Sailing Safety and Sea Survival Course (SSSC qualified) or an ORCV approved equivalent.

9.2.6. Double Handed Race Category boats and 4+autohelm must be fitted with a fully operational autohelm. The autohelm controller unit output must only act on the rudder rotation and no other part of the boat.

9.3. Penalties

9.3.1. **RRS 44.2:** Two Turns Penalty will apply for breaking a rule of RRS, Part 2 in Port Phillip. Multihulls are only required to take a One Turn Penalty.

9.3.2. **RRS A5:** The Protest Committee may apply a discretionary scoring or time penalty in lieu of disqualification for an infringement of a rule.

9.3.3. The scoring penalties will be applied in accordance with the Sailing Instructions.

10. Tracking Devices

10.1. A boat may be required to carry a tracking device supplied by the ORCV.

10.2. A boat on which such a unit fails or ceases to operate will be required to provide additional position reports by radio or satellite phone in accordance with the Sailing Instructions.

10.3. A boat that interferes with the normal operation of a tracking device or fails to comply with an ORCV request in regard to tracking devices will be subject to protest by the Race Committee.

10.4. The owner or charterer of each boat is solely responsible for the loss of or damage to a tracking device supplied by the ORCV, including the return of the device to the ORCV upon return to Port Phillip.

11. Sustainability

The ORCV is dedicated to promoting and upholding the principles of environmental stewardship in ocean racing. The event will be conducted in accordance with the Clean Regattas framework established by Sailors for the Sea. It is our intent to implement as many best practices as possible throughout the duration of the race. Competitors are strongly encouraged to conscientiously consider their environmental impact both at sea and upon arrival at the destination by:

- Eliminating single-use plastic bottles – opt for refillable and store water using jerries or tanks on board.
- Containing and sorting rubbish, disposing appropriately at destinations or upon arrival home (e.g., recycling and organics, and reduce the amount sent to landfill).
- Picking up litter, especially in marinas or around clubs.

- Provisioning and storing food to reduce food and packaging waste, eg using reusable storage containers.
- Preventing oil, chemicals and microplastic pollution going to sea by inspecting and maintaining a clean bilge.

12. Pre-Race Briefing

- 12.1. A compulsory online pre-race briefing for entrants will be held at 1900 on Tuesday 10 February 2026. Details will be provided via SMS and/or email to all skippers.
- 12.2. The skipper and one other crew member must attend the whole of this briefing, unless an alternative arrangement has been made with the ORCV Sail Captain.
- 12.3. A boat which does not comply with Condition 12.2 will not be eligible to race.
- 12.4. An online weather briefing will also be provided as part of the race briefing.

13. Event Classification and Advertising

- 13.1. Advertising on a boat comply with the requirements of WS Regulation 20 (WS Advertising Code) for Category C.
- 13.2. The ORCV must be advised of all advertising that a boat intends to carry. The ORCV must be advised of all changes to that advertising.
- 13.3. The ORCV may decline to accept an application for entry of a boat which, in its opinion, is carrying advertising which conflicts with Government regulations or ORCV policies. If in doubt, the ORCV should be consulted as soon as practicable.

14. Trademarks and Copyright

- 14.1. "Melbourne to Port Fairy Yacht Race" is a trademark of the Ocean Racing Club of Victoria Inc and the use of the trademark is absolutely restricted and limited to use by or with the consent of the ORCV.
- 14.2. This document is Copyright © Ocean Racing Club of Victoria Inc 2025. All enquiries should be directed to:

15. Media Rights and Restrictions

- 15.1. It is a condition of entry that the owner of the boat and all crew members:
- acknowledge that the ORCV owns all media rights to the Melbourne to Port Fairy Yacht Race and may exercise those rights as it sees fit.
 - grant the ORCV the unconditional, perpetual right and authority to publish and broadcast anywhere in the world, for any purpose and in any media, the names, images and biographical information relating to the crew and photographs, video footage and audio recordings taken of the boat and its crew prior to, during and after the race.
- 15.2. Crew members of boats may, prior to, during and after the Race, speak or provide material to any media representatives accredited by the ORCV, regarding the Race and the prospects, performance or strategy of boats entered or participating in the Race, subject to any comments and material not undermining or interfering with, or having a detrimental impact on, the ORCV, any sponsor and their officers and employees, the Race Committee, the Protest Committee, measurers or current or former sponsors of the ORCV. This approval may be revoked by the ORCV in respect of a boat or media representative at any time.
- 15.3. Entrants acknowledge and accept the media restrictions referred to in this section (15) by completing the entry form.
- 15.4. Any breach of these conditions may, at the discretion of the ORCV or the Race Committee, lead to the rejection of an entry, the cancellation of an entry or the disqualification of a boat (refer RRS 76.1). This does not limit the right of the ORCV to take any other action it sees fit to enforce compliance with these conditions.

16. Disclaimer

- 16.1. All those taking part in the Race do so at their own risk and responsibility. Crew acknowledge this and, by having their names entered on the crew list, release the ORCV and Port Fairy Yacht Club and their respective officers, employees, volunteers and members, from all liability.
- 16.2. Specific attention is drawn to RRS Fundamental Rule 3, which states:
- “The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone”*

17. Mooring Arrangements

- 17.1. Melbourne: Visiting boats seeking moorings in Melbourne should contact the ORCV office at the time of their race entry.
- 17.2. Port Fairy: In the Moyne River at Port Fairy as directed by Port Fairy Yacht Club personnel. Details will be provided on arrival via VHF.

Appendix A: Stability Requirements

The requirements specified in this Appendix apply to all boats intending to enter, regardless of the Race Category in which they intend to enter.

A1 Resistance to Capsize

A monohull boat must provide evidence as follows to demonstrate that it achieves not less than:

- an ORCi Stability Index of 110 or greater for the configuration in which the boat proposes to race; or
- ISO 12217-2 Design Category A.

A multihull boat must provide evidence that it complies with the multihull stability requirements set out in ISO 12217 – 2: 2015 clauses 7.8, 7.9 and 7.10.

A2 Proof of Stability

A Monohull boat without a current valid ORCi but with a previously valid (but not current) certificate must supply its most recent previously valid (but not current) certificate with a Stability Index with a satisfactory margin to the minimum stability requirement for Race Category 2 events for the configuration in which the boat proposes to race, accompanied by a completed Stability Declaration supplied by the ORCV.

For a multihull boat stability requirement, compliance with ISO 12217-2:2015 sections 7.8 and 7.9 and 7.10 for Design Category A must be met. This compliance must be from a Naval architect signed letter stating compliance with these multihull stability requirements.

A3 Movable or Variable Ballast

A boat with movable or variable ballast must provide evidence that it achieves not less than a Knockdown Recovery Factor of 0.9 under International Standard ISO 12217-2, calculated in accordance with ISO 12217-2 paragraph 6.4.4 with the lesser of FKR90 and FKR-90 used. AS Special Regulations Appendix B 7.2.2 will apply.

A4 Documentation

Competitors found to be falsifying documentation, deliberately invalidating certificates or otherwise misleading the Race Committee regarding stability of their boat are subject to action under RRS 69.1. If found guilty the penalty could include disqualification. The incident would also be reported to Australian Sailing.

A determination by the ORCV or the Race Committee as to the suitability of supplied documentation in demonstrating a boat's compliance with the stability requirements, as to whether there is a satisfactory margin as required by this Appendix or as to a boat's compliance with the stability requirements is final and binding.

Appendix B: Boat eligibility requirements

Boats must comply with the requirements laid out in this Appendix to be considered eligible for entry to the Race.
