

## Life Membership - Posthumously Awarded

### Angus Fletcher

*"Praise of contributions made to the ORCV, should not be missed"*

The committee have unanimously agreed that Angus Fletcher (recently deceased) should still be progressed to being honoured posthumously for Life Member. It is the highest honour the ORCV can award in recognition of someone who contributed so much to the club.

Angus's achievements include:

- ORCV Commodore 2004 2006
- And served on the Committee for approximately 10 years
- ORCV Ocean Racer of the Year 2020
- Was part of the team who secured the Footscray premises
- Developed training sessions for long offshore races
- ORCV Race Director
- AMS and IRC measurer
- Helped many a yachtman transition to ocean racing
- Helped establish the ORCV Van for radio transmission
- National Equipment Auditor for Cat 1 races
- Helped conceptualise the Latitude race and
- The ongoing leadership with his crew who enjoy the ocean and camaraderie it offers.

Many of us know Angus from the fierce competitor, the stickler for correct and concise detail who kept us all on our toes to share his passion of ocean racing.
