## YACHT SQUADRON INC.

### **BYS WELCOMES ORCV LATITUDE RACE**

Blairgowrie Yacht Squadron welcomes skippers and crew participating in the ORCV Latitude Race this coming weekend.

#### **Rafting within the Blairgowrie Safe Boat Harbour**

Our staff will assist participant boats raft within the marina and to the public jetty. Could you please radio marina staff using channel #71 as you are approaching the Club. Please wait outside the breakwater to receive instructions.

#### **BYS Major Projects and Facilities**

BYS has now started work on its major projects – the redevelopment of the clubhouse and the extension of the safe boat harbour. With this in mind we have a number of temporary facilities in place for members and visitors. The bar is located on the ground floor of the Scotts' Shed building found at the end of the public jetty. Toilets and showers are located directly across the car park.

#### **Collection of Wristbands**

All visitors to the Club must sign in and receive a wristband. Skippers should make their way to the bar and ask staff for wristbands for their crew. A wristband is required to comply with our liquor licencing obligations. Without a wristband we are unable to serve you.

#### **Food**

Pizza from local business Pizza Doh! can be ordered at the bar on the night. Alternatively there are a number of local restaurants within Blairgowrie and Sorrento.
